STATE ROUTE 41 ONE WAY TRAFFIC CONTROL THIS SUNDAY IN KERN COUNTY

The California Department of Transportation (Caltrans) will conduct one-way traffic control on State Route 41 in Kern County approximately 10 miles south of State Route 33 for highway maintenance.

The following lane closures will be as follows, weather permitting:

- One-way traffic control on SR 41 approximately 10 miles south of SR 33 on Sunday, June 12th from 5:30 a.m. to 11:00 a.m. Traffic may experience delays during peak traffic times.

Caltrans personnel will be conducting one way traffic control during this time with the use of flagging personnel and a pilot vehicle to escort traffic through the work zone. Commuters are reminded to obey flagging personnel, stay behind the pilot vehicle and pay close attention to road maintenance vehicles.

These closures may continue for longer periods of time if necessary, due to delays caused by uncontrollable events that may occur during maintenance. This work is scheduled to take place, weather permitting. Motorists may experience delays and are encouraged to take alternate routes whenever possible.

Caltrans would like to thank commuters for their continued patience throughout this construction project. Please be alert for construction personnel and remember to
"Slow for the Cone Zone."
